 lauren.souris3@gmail.com

A compassionate education support worker currently completing a Bachelor of Arts (Technology)/Bachelor of Secondary Education at ACU, specialising in Food Technology (TAS). I have strong experience supporting young people with diverse learning needs across school, preschool, and community settings. As the owner of a disability support business, I provide tailored academic, emotional, and behavioural support. I bring adaptability, strong interpersonal skills, and a commitment to inclusive education.

Skills

Skills

- Experience supporting neurodiverse students and those with physical, intellectual, and emotional needs
- Student-centred approach and trauma-informed care
- Behaviour support and social skill development
- Individualised learning strategies and goal-setting
- Strong communication with families, therapists, and educators
- Organisation, record keeping, and client confidentiality
- Microsoft Office Suite (Word, Excel, PowerPoint)
- Professional presentation and reliable work ethic

Experience

Professional Experience

Disability Support Worker & Owner | Self-Employed | 2024 – Present

- Founded and operate a disability support service, providing one-on-one support for children and teens with a range of diagnoses including autism, ADHD, anxiety, and physical disabilities
 - Collaborate with families, therapists, and schools to deliver consistent, goal-oriented support
 - Design and implement personalised support plans aligned with NDIS goals
 - Assist with daily living, transport to appointments, and in-home tutoring-style support
 - Prioritise inclusion, emotional regulation, and building independence
-

Disability Support Worker (Casual) | Cura Disability | 2022 – Present

- Provide tailored care for clients with complex needs, supporting them in achieving independence and social engagement
 - Maintain accurate documentation, respect privacy, and support therapeutic goals
-

Teacher's Aide (Preschool) | Miracles on Russell | 2023

- Provided one-on-one classroom support to preschool-aged children diagnosed with autism
- Supported students in transitioning between activities, building routine, and developing communication and social skills
- Worked closely with lead educators, therapists, and families to maintain consistency and support goals
- Utilised play-based learning strategies tailored to individual developmental needs
- Applied behaviour management strategies and positive reinforcement techniques

Check-in Agent | Qatar Airways | 2020–2022

- Delivered high-quality customer service and managed fast-paced check-in processes
- Navigated sensitive customer issues and implemented safety protocols
